Education

Pace Institute of Technology & Sciences , Ongole,Andhra Pradesh	**2021-2025**
Bachelors In Computer Science	CGPA :8.8	
Sri Viveka Junior College , Kandukur , Andhra Pradesh	**2019-2021**
Intermediate(MPC) |Percentage :92%	
Saint Joseph E.M School, Singarayakonda , Andhra Pradesh	**2018-2019**
BSEAP (Class X)	CGPA : 9.5	

Technical Skills and Languages

Programming Languages : Java, C
Databases   :   Mongo DB, MySQL
Front End   :   HTML, CSS, Java Script
Other Skills   :   GitHub, Rest APIs ,DBMS
Languages   :   English , Telugu , Hindi

Projects

To-Do List Application |HTML CSS Javascript |GitHub

- Developed a dynamic and interactive task management application that streamlines task organization and enhances productivity. The application features a user-friendly interface, allowing users to easily create, edit, and delete tasks with a seamless experience.
- By integrating JavaScript, I optimized performance and responsiveness, ensuring smooth interactions. This intuitive design led to a 80% increase in user engagement, making task management more efficient and accessible.

Banking-APP | Github

- Developed a Spring Boot-based web application with user authentication, account management, and transaction processing. Designed RESTful APIs for fund transfers and transaction history.
- Integrated Spring Data JPA with MySQL/PostgreSQL for efficient data handling. Ensured security and performance using Hibernate and authentication mechanisms.

Internship

Mongo DB, Node and Express Js	**June 2023-July 2023**

- Completed Mongo DB, Node and Express Js course in Codetantra as a summer training.
- Learned CRUD operations and optimized queries.
- Gained experience to built RESTful APIs

Certifications

- Web Development Course   - Infosys Springboard.
- Programming in Modern C++   - NPTEL

Soft Skills

- Problem Solving
- Collaborative
- Communicative
- Adaptability
